

Period	30 th October – 28 th November 2019	
Meetings Held	None	
Maintenance	Minimal at this time of year.	
Adopt a Footpath	Volunteers have been requested to do a winter inspection of their footpaths before the end of February.	
Replacing old stiles with pedestrian gates	It is hoped that a proposal to improve access by replacing old stiles with new gates will be submitted to the PC at the January meeting. The appointment of a Lengthsman is awaited so that the costs can be fully estimated.	
Balfour Beatty Work	BBLP have now responded to our request to renew or improve 25 signposts. They advise that 15 have been completed. They will all be checked once the other 10 have been completed. BBLP has agreed to repair 2 sets of steps (outstanding since 8th July)	
Future Considerations	Footpaths information boards at Pontshill and The Weston Cross – refurbishment or replacement.	
Concerns	1. Footpath WP15 has been blocked by farmer at stile WP15/3. We hope to replace with a gate. 2. Footpath WP4 has been obstructed by a barbed wire fence erected by landowner. Solution being discussed.
