

Period	31 st December 2019 – 27 th February 2020
Meetings Held	30 th January – Meeting with Kevin Williams to discuss outstanding PROW work and plans to replace stiles with gates on WP15 and WP16. 12 th February – Meeting with Enviroability to discuss their services for footpath improvement and maintenance. 16 th February – Meeting with TGC to discuss installation of new gates.
Maintenance	Replacement of old waymarkers with new.
Adopt a Footpath	Most winter inspections of adopted footpaths by volunteers have not been possible due to waterlogged fields. Volunteer has reported that a fence has been erected in field blocking footpath WP4 near Pontshill. This has been reported on to BBLP.
Replacing old stiles with pedestrian gates	A proposal to improve access by replacing old stiles with new gates was approved by the Parish Council on 9th January 2020.
Balfour Beatty Work	BBLP has repaired/replaced steps on WP 16. BBLP has agreed to repair steps on WP2 (outstanding since 8 th July). They have also added to their list the replacement of a damaged planked bridge on WP2 near Hooks Cottage in Lea Bailey
Footpaths Information Boards	Refurbishment of footpaths information boards at Pontshill, Bromsash and The Weston Cross being considered.
Concerns	1. Footpath WP15 has been blocked by farmer at stile WP15/3. We hope to replace with a gate as part of the current improvement plan referred to above. 2. Footpath WP4 has been obstructed by a barbed wire fence erected by landowner. 3. Delay in getting proposal from lengthsmen for new gates
