

Period	27 th February 2020 – 27 th March 2020
Meetings Held	6 th March – Site visit to locations for new gates with Terry Griffiths
Maintenance	Two boundary fences have been removed at Kingstone resulting in the stile WP22/4 and the gate WP22/5 being removed, together with the waymarkers. Cllr. Bagg has kindly reinstated a waymarker post and new waymarkers have been installed.
Adopt a Footpath	Most of the winter inspections by volunteers were not possible due to waterlogged fields.
Replacing old stiles with pedestrian gates	On 16 th March an order was placed with Terry Griffiths for 3 gates on WP15, WP11 and WP 13. Estimated value £1,384. Linton PC have agreed to fund 50% of the purchase cost for gate WP15/2 on the parish boundary. An agreement for gates on WP16 could not be finalised.
Balfour Beatty Work	BBLP has agreed to repair steps on WP2 (outstanding since 8 th July). They have also added to their list the replacement of a damaged planked bridge on WP2 near Hooks Cottage in Lea Bailey
Footpaths Information Boards	Refurbishment of footpaths information boards at Pontshill, Bromsash and The Weston Cross being considered.
Concerns	1. Footpath WP15 has been blocked by farmer at stile WP15/3. We hope to replace with a gate as part of the current improvement plan referred to above. 2. Footpath WP4 has been obstructed by a barbed wire fence erected by landowner. Reported to BBLP. 3. The current coronavirus crisis is likely to delay inspections, maintenance and gate renewals on footpaths.
