11, Dairy Cottages
WESTERN OR PENYARD

WESTERN PARISH Council,

I strongly object to any further
permission being ^{given} to the Student
Amenity Building.

The farm was given planning
permission for 19 caravans which at
present stands at 23, increasing

each year. Further buildings will
only increase the already problem

with noise and bad behaviour,
which includes, Beer cans littered,

and men seen urinating against fence
where young children are running at
No 14, 10, 7, 1.

Yours Sincerely
J. Pugh
